

Safety in DISTRIBUTION CENTERS

North America is the largest region in the Automated Warehousing and Distribution Center industry. According to recent studies* 84% of DCs report Safety as their top concern with 69% reporting Labor shortages as their second biggest priority.

Safer Cleaning & Degreasing with EcoChemPro XL.

EcoChemPro XL has the power to clean the toughest of soiling including liquid spills, inks, label adhesives, grease and oils from conveyors, belts, floors, walls and hard surfaces within modern distribution facilities.

In addition, EcoChemPro XL's mild, pH neutral formula makes it safer to use. With no VOC's or heavy toxins, it's kinder on the planet too.

Reducing Slip & Falls

EcoChemPro XL is an excellent floor cleaner and with no heavy alkalis, it leaves no residue, delivering up to 30% more friction on floors, reducing the risks of slip and fall accidents. For more information contact +1 (833) 427-7947
